

# Drum Machine

by 2AM

## Verse

Always on time  
Never going too fast  
Not a friend of mine  
And no enthusiast

Total self control  
Ha! Never off-beat  
Not human at a-all  
Plays it cool in the heat - yeah

## Pre-Chorus

Oh-oh, beats like dynamite  
Oh, keep smashing all night - yeah

## Chorus

Power on! Start up the drum machine  
Gimme that beat in perfect sixteenths  
Push the button to play, keep up that speed  
Don't stop until the power's getting low  
Don't stop until this fuse is gonna blo-ow

## Verse

Ready to rock – who-ho  
Plays every song by he-ah-ah-art  
It's a heart of silicone – can't break  
And a body without a bo-one

## Pre-Chorus

Oh-oh, beats like dynamite  
Oh, keep smashing all night - yeah

## Chorus

Power on! Start up the drum machine  
Gimme that beat in perfect sixteenths  
Push the button to play, keep up that speed  
Don't stop until the power's getting low  
Don't stop until this fuse is gonna blo-ow

## Bridge

When the power's gone, oh-oh-oh  
You need to turn it on, o-o-on  
And on-and-on-and-on-aga-ain  
And on-and-on-and-on-aga-aaa-aiin

## Instrumental

## Chorus

Power on! Start up the drum machine  
Gimme that beat in perfect sixteenths  
Push the button to play, push it now!  
Power on! Start up the drum machine  
Gimme that beat in perfect sixteenths  
Push the button to pla-a-a-a-ay  
Don't stop, oh no!  
Don't stop, no no!  
Don't stop until this fuse is gonna  
blo-o-o-ow
