

Night of Bands

by 2AM

Verse 1

So many people with a dream
Chasing visions behind the screen
Echoes lost in empty halls
Songs unheard beyond the walls

Pre-Chorus

Talent burning like a flame
Still the world forgets their name

Chorus

Make some noise – oh, oh, oh
Scream out loud – ye, eh, eah
People raise your hands
At the Night of Bands

Verse 2

Restless hours, sleepless nights
Writing truth beneath dim lights
So much passion kept inside
Stories waiting to collide

Pre-Chorus

Hidden dreams no one can see
But they still believe – that's legacy

Chorus

Make some noise – oh, oh, oh
Scream out loud – ye, eh, eah
People raise your hands
At the Night of Bands

Bridge

Night of Bands – gives people a hand
Night of Bands – let the dream expand
Night of Bands – there's a light in the end
Start the engine – and take off

Chorus

Make some noise – oh, oh, oh
Scream out loud – ye, eh, eah
People raise your hands
Come on, come on, come on
At the Night of Bands – oh, oh, oh
Scream out loud – ye, eh, eah
People raise your hands
Come on, come on, come on
At the Night of Bands
